

subject all together. Under the new germaneness rule I would have to rule it not germane and I might tell you that I am in favor of what he is doing, but I'm going to try and be fair about it.

SENATOR BARRETT: Thank you, Mr. President, and I would also add, if I may, that I am in sympathy with the effort being made, but there is another vehicle with which we can attach or address that subject and that is LB 249 being held on Select File at my request. We can handle it again at a later date. Thank you.

SENATOR CLARK: Thank you. Senator Hefner, did you want to challenge? Senator Vickers? All right. Then it stands, it is not germane. You have another amendment.

CLERK: Well Mr. President, I don't think so. I assume Senator Hefner, your other amendment will then go away, Senator Goodrich the same for your situation. Then I have nothing further on the bill, Mr. President.

SENATOR CLARK: Senator Labedz, what do you want to do with the bill. Do you want to explain it?

SENATOR LABEDZ: I believe the amendment as amended was explained thoroughly and in order to save time I will have no further comments other than to say, that even at \$120 I certainly appreciate what we are doing for the unemployed. They certainly deserve every bit of it. Thank you very much.

SENATOR CLARK: The question before the House is the advancement of 524. All those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Record the vote.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SENATOR CLARK: The bill is advanced, we go to 560. Read some things in.

CLERK: Mr. President, Committee on Enrollment and Review respectfully reports they have carefully examined and reviewed LB 621 and recommend the same be placed on Select File, LB 408.

Mr. President, I have a communication from the Governor. (See page 1756 in the Legislative Journal - regarding LB 64).
